² Each Fiscal Year starts on 1 August of the year shown in black and ends 31 July of the year shown in Red. Fiscal Year designation is shown in Red, as in "FY 2005"

³ The President-Elect is elected during the Board meeting from the four Directors in the Group shown under the Fiscal Year's Board meeting (i.e., in the summer of FY shown, regardless of the exact date of the meeting). The elected Director (now ending 1 year of term) serves as P-E during the next year (i.e., the elected Director's second year of term). P-E then serves as President during the Director's third and last year of term as an elected Director.
