“THE UNDESERVED MISFORTUNES OF OUR UNHAPPY FAMILIE” 15.00 _____
Undeserved Misfortunes is a 60 page history of the settlement of the famous James River Bland family in Colonial Virginia up until the time of Bacon’s Rebellion in 1676. They were our most famous family perhaps because they were so interesting and they were the first Bland family to settle in North America.

For Underserved Misfortunes make a separate check payable to Bland Heritage Foundation and mail to me along with your order of the book and /or newsletter. Proceeds go to the Bland Heritage Foundation DNA Project.
